Quality ALWAYS SELLS!

SEYMOUR SMITH

Quality Tools Since 1850

PRUNING SHEARS

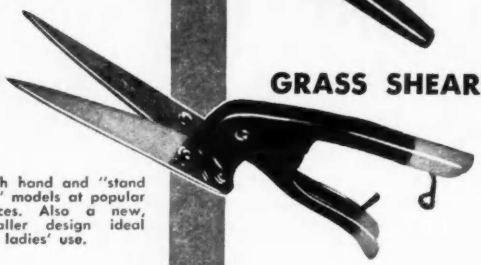
A complete line, 10 styles and sizes, for all purposes and price range. Featuring the famous "Snap-Cut" pruners, the original anvil type.

HEDGE SHEARS

A completely redesigned line of 3 styles and a range of sizes. Featuring increased sales appeal and more efficient performance.

"Snap-Lock" PLIERS

We built this tool to stand the most rugged use and abuse. The "Snap-Lock" Plier-Wrench is tough, durable — guaranteeing customer satisfaction. FIVE EXCLUSIVE FEATURES: Swivel & Serrated Jaw, Opening Device, and Capacity Indicator. NEW, Bright Nickel finish. 10" and 7" sizes.



GRASS SHEARS

Both hand and "stand up" models at popular prices. Also a new, smaller design ideal for ladies' use.

LONG HANDLED PRUNERS

(LOPPING SHEARS)

Efficient, durable pruners for heaviest work by Home Owner, Utility, and Fruit Grower. 9 styles and sizes.

NEW BIT BRACE

Handy, 3-position shifter for boring in, backing out, locking.

Not only NEW, but DIFFERENT! THE ENTIRE FRAME IS ONE PIECE DROP FORGED TOOL STEEL! 48 Ratchet Teeth instead of the usual 12! The Seymour Smith Bit Brace has the quality that *sells on sight!* Beautiful chrome finish—tough rubber composition handle and knob.

TREE PRUNERS

A complete line of pole or tree pruners. 4 styles and 5 sizes to suit requirements of Utilities, Fruit Growers, Tree Experts, Home Owners.

BULL RINGS

In 3 sizes for every need of farmer and dairyman. Pure copper, highest quality.

See the Seymour Smith Exhibit at the Hardware Show, Booth 101-102.

Send for our 1949-1950 Catalog—available Sept. 1st.
